

## ON-LINE CAREER EXPLORATION WORKSHEET

A good first step to **Explore Your Options** is to conduct internet research for several different careers. This research can provide a good foundation for the career decision you make later in the process. Of course, some of the information found on the internet is good and some not-so-good (to say the least), so look for credible sources and information that is collaborated by other sources.

Potential Career Job Title: \_\_\_\_\_

Exploration Questions/Responses	Assessment/Reflection Thoughts				
	Bad Match				Great Match
